

**Red Bank, TN, Citizens' Group Endorses
Hollie Berry, Lawrence Miller, and Hayes Wilkinson
For Board of Commissioners in November 8, 2022 Election**
October 16, 2022

Hollie Berry, Mayor
(District 1)

Lawrence Miller
(District 3)

Hayes Wilkinson
(At Large)

The Red Bank, TN, citizens' group *Save Red Bank Central Park* endorses **Hollie Berry** (District 1), **Lawrence Miller** (District 3) and **Hayes Wilkinson** (At Large) for the positions of Red Bank commissioners, in the November 8, 2022 election.

Based on the six candidates' responses to our recent questionnaire – plus other statements, platforms, and actions – SRBCP concludes Berry, Miller and Wilkinson will be the slate of new commissioners most supportive of permanently saving all 12 acres of the old Red Bank Middle School property in public ownership for the public good. The authority and opportunity to decide the fate of the property will be in the hands of the new Board of Commissioners following the November 8, 2022 election.

Berry: “... we are lacking a signature park (the former Red Bank Middle School Property would be ideal for this!)” [SRBCP questionnaire]

Miller: “Using all twelve acres as a park will create a much-needed focal point for our community. In a sense, it would be honoring the heritage that was earned as a school campus.” [SRBCP questionnaire]

Wilkinson: “The short and obvious answer is that the 11.97 acres at 3715 Dayton should be protected as public land and a city park.” [SRBCP questionnaire]

The local citizens' group, "Save Red Bank Central Park" (SRBCP), formed in 2021 with a mission to: (1) stop the City's attempted quiet sale of the public's resource at 3715 Dayton Boulevard, and (2) formally dedicate the property permanently as an epic public park that will reinvigorate our city and provide long-term economic and cultural benefits for its people. The SRBCP group conducted a parks and recreation survey in September 2022 of all six candidates for the Red Bank Commission, to inform Red Bank voters. The responses of all six candidates to the five-question survey can be viewed at: <https://www.saveredbankcentralpark.org/voter-information-for-2022>.
