

Red Bank, Tennessee Public Parks and Green Spaces

Red Bank City Park (2.7 acres)

Alongside Dayton Boulevard, across from the Food City shopping center, this park features the Kids Corner playground, restrooms, 5 tennis courts and a small stage with 6 metal benches for viewers.

Kids Corner is a popular play place for kids 2-12 years old.

Two picnic tables and a couple more benches occupy the 0.95 acres of grass and shade trees that is bisected by the stone- and concrete-lined Stringer's Branch.
